An Appeal to Sai Devotees for Donation of Electric Bus

Dear Sai devotees,

Warm greetings to all the souls who have dedicated themselves to the teachings and ideas of Shri Saibaba. As you know, the Sansthan is dedicated to serving the millions of devotees who visit the sacred land of Shirdi. Sansthan provide various facilities and service to ensure a comfortable and fulfilling experience for all who came seeking the blessings of Shri Saibaba. As part of this Sansthan provide free bus facility for devotees in shirdi.

Currently Sansthan uses diesel powered vehicles. Diesel powered vehicles increase pollution in holy city. Our beloved Saibaba has always emphasized the importance of caring for the environment and preserving nature's bounties. To cater to the needs of our ever growing community, we are embarking on a transformative project- to introduce electric buses that will not only enhance the comfort of our Sai devotees but also contribute to reduce our carbon footprint.

However the implementation of such an ambition project requires financial support from individuals like you who share our vision of a sustainable future. We humble request your generous contribution to make this dream a reality. Your support will benefit Sai devotees .

To make a donation or inquire about it, please contact our dedicated team
